

### Making an Impact - Last Year, This Year, and Next

I often think about what my family's lives were like last year and look forward to returning to them next fall. While the possibility exists that we may continue with distance learning in August of 2021, I'm manifesting that we'll be back to normal with full-time in-person learning. A highlight I look forward to every year is being an art docent in my children's classrooms. It "fills my bucket" and brings joy to so many, so when the district announced that our students would be learning remotely this year and that art would be provided via a recorded lesson twice a month, my heart skipped a beat. It was hard to imagine letting go of this slice of life and so, I didn't. I reached out to both my kids' teachers and to RVUSD's Art Docent Coordinator Jeannie Behr and asked for more time. In response, I'm able to teach via Zoom quite often and Jeannie has been providing new lessons EVERY WEEK.

RVUSD's Art Docent Program began in the spring of 1990 and is still going strong thanks to many dedicated administrators, teachers, parents, and community volunteers who value its purpose. We provide our children tools to succeed and art is just as important in fostering a child's need to create and think critically. While the backbone of this program is strong because of this support, we need to continue to raise funds for the arts. Help us ensure that next year our Rincon Valley schools have docent lead art instruction every month in each of our classrooms at every grade level. If you believe that ART is vital to providing a well-rounded education, join us in making an IMPACT this GIVINGTUESDAY.

Warmly,

*The goal of the Art Docent Program is to stimulate, at an early age, a child's awareness of art and to help them understand its process through hands on participation. Volunteers teach in elementary classrooms once a month. Lessons are in kit format and offer a progressive understanding of artists, methods, & mediums.*

*Started 30 years ago, it began with 3 parents with 3 lessons for all the schools in the district to share. It has now grown to over 75 lessons and averages 130 Art Docents annually.*

*Due to the Covid-19 pandemic, the Art Docent Program looks different this year. An emphasis is placed on drawing & students will have access to recorded lessons at least twice a month.*

*RVUSD hopes to return to its original format in the 2021-22 school year.*

# TAKE OUR SURVEY

Help us fine tune RVEF's Enrichment Program by taking our survey. We'd love your input on how we've done and what we can provide in the future.

While classes will remain online until we return to school full time, we plan to use the time to plan for a successful relaunch.

Thank you for helping us provide quality enrichment programming to our community.

Sincerely,  
Cathy and Megan

## RVEF is aiming for 100% family participation...Are you *IN*?

As RVUSD's main fundraising organization, RVEF is committed to raising the funding necessary to provide supplemental learning opportunities that broaden and enrich the educational experiences over 3,200 Rincon Valley students receive.

The Covid-19 pandemic has changed education forever, most recently plunging our district into full distance learning. Communicating virtually will not stop a child's need to create and think critically. RVEF is ready to help provide our youth with thoughtful and engaging resources during this trying time.

### An Opportunity to *IN*vest

Join us in awakening a sense of wonder, piquing curiosity, and encouraging the spirit of exploration. Monies raised support innovation, development, and offering of engaging programs such as virtual assemblies, field trips, enrichment classes, and scholarships. RVEF also intends to provide supplemental funding for instructors and materials needed for Fine Arts Day and the Art Docent Program, especially if our district pivots to a hybrid learning model mid-year. Together we can make an impact.

### How much is needed? Only \$10 per student!

If EVERY STUDENT gives at this level, we can reach our \$32,000 goal and PRESERVE OUR CHILDREN'S EDUCATIONAL EXCELLENCE! Only one question remains.....Are you *IN*?

**I'm *IN*! I want to enrich my child's education and donate to the Rincon Valley Education Foundation!**
