

Welcome to the start of a brand new school year! Can you believe that the first day of school has arrived? Rincon Valley Union School District administration and staff, members of RVEF, and parent club leaders from across our campuses have been working hard to ensure that students of RVUSD have the best year possible. We hope you are as excited as us to be back.

The Rincon Valley Union School District Foundation (dba Rincon Valley Education Foundation or RVEF) was formed in March of 2003 in response to the State’s growing financial crisis and its impact on schools. Comprised of community members and parents, along with current and former staff, RVEF is an independent organization that supports but is separate from the school district. This collaborative partnership works to provide an exemplary education for our students. RVEF values the knowledge you’ve garnered on how to enrich your child’s life and welcomes your insight on the ways we can get there together. Connect with us online by email, through our website and Facebook page, and at our next meeting via Zoom on Monday, September 14 at 6:00pm.

Warmly,

Megan Fonseca | Executive Director | 707.542.7375 x4140 | mfonseca@rvef.org
